LUIZ CONCEIÇÃO ARCHITECTURE AWARD | 19 JAN TO 1 MAY 2022

SCOPE

The Luiz Conceição Award was instituted, in 2020, by the Integrated Master Degree in Architecture of ISMAT – Manuel Teixeira Gomes Higher Institute – MIA.ISMAT.

The prize is awarded annually and aims to **distinguish the work of students in the first cycle of architecture studies, enrolled in national and international educational institutions. Will be admitted works for the two semesters of the academic year preceding that of the respective edition of the Luiz Conceição Award.**

AWARD

1. Students enrolled in the first cycle of studies in Architecture of national and international institutions of higher education in architecture, during the academic year in which the prize takes place, or that have ended in the year immediately previous.
2. **Only works carried out during the academic year immediately preceding that of the edition of the Prize, to which they are applying, will be admitted.**
3. The Luiz Conceição Award distinguishes **one winning work and two honourable mentions**. Exceptionally, if the jury recognizes equal merit for more than one work, it will be awarded more than an *Ex aequo* award. In the event that the Jury finds that no application proves worthy of the prize, it will not be awarded, the jury reserves the option of award a third honourable mention.
4. **The winning entry is awarded an amount of fifteen hundred euros. The two honourable mentions members are each paid six hundred euros. The prize is given singularly to the work, regardless of the number of authors. If more than one Ex aequo winner is nominated, the prize amount is divided equally among the awarded works.**
5. **All competitors whose works are admitted to the competition receive a certificate participation.**
